buttons.

+ Compared to 11 litre single flush toilet suite.

\* Conditions apply. The ToiletSmart program is only available to ACT home owners for residential properties connected to ACTEW Corporation's water supply network. The ToiletSmart Residential program and rebate is applicable for the replacement of single flush toilet suites and old dual flush toilet suites with a cistern capacity greater than 6/3 litres per flush. This program replaces the complete toilet suite (combined cistern and pan); there is no option to replace the cistern only. A limited number of Caroma Smartflush® Slimline toilet suites are available at no charge for holders of a Pensioner Concession Card. There is a limit of one free toilet suite per eligible household. Offer applies to supply and standard installation. Any additional costs associated with a non-standard installation of this toilet suite must be paid for by the applicant. A second toilet suite, if required, can be supplied as per the advertised prices of the ToiletSmart – Residential Program. At the time of installation Pensioner Concession Card holders must supply either a recent ActewAGL Water & Sewerage Account or ACT Rates Notice with the same name and address as that shown on the Pensioner Concession Card. A limited number of Dorf Stayfast WELS 3 Star Showerheads are available at no charge for holders of a Pensioner Concession Card. There is a limit of one free showerhead per eligible household. All other ToiletSmart Plus products and services are available to Pensioner Concession Card holders at the advertised price. The ToiletSmart Plus service is only available at the time of the installation of a toilet through the ToiletSmart program. All tap repairs will be carried out at the discretion of the plumber. The installation of all products included in the ToiletSmart Plus program is at the discretion of the Program plumber. The ToiletSmart Plus program includes the advertised services and products only. For comprehensive terms and conditions and further information on the ToiletSmart and ToiletSmart Plus programs please call 1300 749 794 or Canberra Connect on 13 22 81, or visit [www.actsmart.act.gov.au](http://www.actsmart.act.gov.au)

## Follow the steps below before making your appointment

**1** Identify whether your current toilet has an 'S' or 'P' trap using the diagrams below and enter the requested information in the space provided. The plumber will need this information to check that the toilet will fit in your bathroom.

**S-Trap**

If your toilet has an 'S' trap measure the distance from the wall (X) to the centre of the toilet drain (Y).

Enter measurement here

**P-Trap**

If your toilet has a 'P' trap measure the distance from the floor (X) to the centre of the toilet drain (Y).

Enter measurement here

Where is your stop tap located, left or right of the cistern, level with the toilet seat (Option A), below the toilet seat (Option B) or above these levels?

Enter location here

**2** Decide if you would like to participate in the ToiletSmart Plus option. See Program details on the next page.

**3** Call **1300 749 794** to arrange an installation (between 9:00am & 5:00pm Monday to Friday).
