GardenSmart program terms and conditions

- 1) GardenSmart is available to ACT residential properties, schools and community groups connected to ACTEW Corporation's water supply network.
- 2) There is a limit of one GardenSmart service per metered residential premises. Schools and community groups are entitled to an initial visit and one follow up visit.
- 3) The ACT Government reserves the right to end the registration period and close the program at any time. Notification of closure will be via Public Notice in The Canberra Times. Applications must be received prior to any published termination date of the program.
- 4) After the GardenSmart service residential participants are eligible to apply for a rebate to a maximum of \$50 for the purchase of approved water-saving products in accordance with the terms and conditions on the GardenSmart product rebate application. Purchases must be made within six months following the GardenSmart service.
- 5) Schools and community groups are not eligible to receive the \$50 GardenSmart product rebate.
- 6) The GardenSmart program does not include the servicing or repair of outside taps or irrigation systems.
- 7) GardenSmart participants consent to and recognise that the ACT Government (the Territory) and its servants and agents may contact them to conduct research related to the program and the GardenSmart Product Rebate, and may use information collected during the GardenSmart service, and details of the property's water consumption for research related to the program and the rebate.
- 8) In accordance with privacy legislation we advise you the information collected on this form will be used by the Territory and its servants and agents to process applications for the GardenSmart program and GardenSmart Product Rebate. The information may be used by the Territory for research and other matters relating to the program and the GardenSmart product Rebate, and to provide you with information about water efficiency programs.
